A Parlor Settee When Closed—A Bed When Opened

This Duofold Davenport is made on a new principle—the spring, mattress and bedding are under the seat and come into position when the seat is turned, you do not sleep on the upholstering, as is the case with nearly all other Bed-Davenports-it is constructed of quartered oak in Colonial design and upholstered in a fine quality of imitation leather—must be seen to be appreciated—our price, includ-\$25 ing the spring (without the mattress), is only
